Click on the "**Advanced Setting**" option so that it is switched on to the right.

The screen will now ask you for your McMurry **password** as well as a brief **description** of the email account. You could type in something like "McMurry email" but it is your choice.

Enter the following McM E-Mail Server Information, which may vary slightly by phone:

Email: (your McMurry email) Description / Server Type: Microsoft Exchange Servername: mcmmail.mcm.edu SSL: YES Domain: mcmurryadm Username: (your McMurry email handle) Password: (your McMurry password)

Click "Sign in" when you are finished
